## TRANSITION

46 C#m *Narrator: For so many years, man has suffered the plague of isolation. Isolation from his fellow man, fellow woman,*

You're not a - lone.

51 *unable to connect, unable to reach out and touch someone, to be tethered, to be one with the world. But now, man and woman can be attuned to every arcane detail, every dog's bark,*

every boy's bat, every girl's tiara, with a new invention,  
a staggering development in technology.
